

How Many Sleeps

Let's play a game. Here's how it goes. Let's count how many sleeps till Santa comes in with rosey cheeks and a button nose. Take off one ring, each night before bed just rip it straight off before you lay down your head. When the rings are all gone you'll wake with great cheer as santa will be gone and presents will be here.

Parents: please read instructions thoroughly. If their age permits it you can let the kids join in on glueing and assembly as an opportunity to create more memories!

Instructions:

- **Count up how many times your kids will go to sleep before christmas. Make sure to end on Christmas Eve so all the rings will be gone when they lay down that night.**
- **Cut out that same number of strips of paper.**
- **Glue the first strip together at the ends in order to form a circle.**
- **Loop each piece of paper through the previous ring and glue at the ends in order to form a chain.**
- **Glue your Sleeping santas on the front of each ring.**
- **Let your kids tear off a sleeping santa ring to count down to Christmas!**

Pro Tip: Using green and red paper makes it all the more festive!
